EXTRA BENEFITS FOR EPA MEMBERS

Lobbying & Advocacy – first consultation free of charge

10% discount on office space, single workstation, meeting rooms at Science 14 Atrium powered by Halldis

You will benefit from special rate when renting an office space at [Science 14 Atrium](http://www.science14.com), Rue de la Science 14b, Brussels (www.science14.com) with access 24/7 via smartcard, including telephone services; state-of-the-art internet technology; soundproof booths for private calls; access to shared break-areas; reception assistance; conference and meeting rooms.

15% discount on visual project management tool which provides at-a-glance project visibility for everyone in your organization. It offers you instant project status for the whole team, cross-team transparency, visual cues which highlight due dates, issues, and delivery problems, and identifies staffing bottlenecks and work impediments. [LeanKit](http://www.leankit.com) user friendly interface makes managing projects as simple as drawing your workflow on a whiteboard and moving sticky notes to indicate status.

Verbivis translation · interpreting · events (10% on the first order)

- Professional translation service: provided translations for the European Union institutions since 1997, covering all the official EU languages (+ Chinese, Japanese, Russian, Arabic, etc.);
- Multilingual interpreting: simultaneous, consecutive, liaison, customised on your event;
- Organisation of international conferences and seminars in Brussels, EU Member States and all over the world.

10% discount on Transport services from and to the Brussels airports

10% discount on Photographic and video services

10% discount on IT services
