... for a better society

The structure of the Premium **Organisation Membership** serves as a comprehensive support in project development and the realization of your internationalization strategy through EPA Brussels Headquarters and the wider network.

Organisation Member can participate in one or more Councils as well as propose to activate and form a new working Committee. Your organization becomes a part of a wide partners' network and experts' community that simplifies your partners search and facilitates your access to numerous examples of good practices in European projects. **Organisation Member** has full access to **European Projects Intelligence System My-Europa.eu** and the **13 Working Groups** where to obtain and disseminate information on calls for proposals, partner searches, information on programmes and events as well as access to the eLearning Programme on European Projects Development. **Organisation Membership** encloses additional **3 Expert Memberships**, on-demand-analysis of funding available for development of your project ideas, and 50% discount on the educational programmes.

After the first year of Membership an **Organization Member** is an eligible **Territorial Contact Point** (<http://europeanprojects.org/TCP>) with a direct access to Brussels and the European Union Institutions.

The outline of the services:

1. **EUROPEAN PROJECTS ACCELERATOR**
2. **FULL ACCESS TO EUROPEAN PROJECTS INTELLIGENCE SYSTEM MY-EUROPA.EU AND NEWS-EUROPA.EU**
3. **EDUCATIONAL PROGRAMMES FOR EUROPEAN PROJECTS DEVELOPMENT with 50% discount**
4. **EUROPEAN PROJECTS DISSEMINATION PACKAGE**

... for a better society

The structure of the Basic Organisation Membership gives you a comprehensive overview of the European Union policies, programmes and real-time updates with the full access to the European Projects Intelligence System My Europa. EPA Brussels European Projects Helpdesk becomes your orientation point in the European Projects Environment and provides direct connection with the European Projects Experts.

Basic Organisation Member can participate in one of the EPA Councils and in the work of one of the EPA Committees. Your organization becomes a part of a wide partners' network and experts' community that simplifies your partners search and facilitates your access to numerous examples of good practices in European projects. **Organisation Member** has the access to the **13 Working Groups** where to obtain and disseminate information on calls for proposals, partner searches, information on programmes and events, access to the eLearning Programme on European Projects Development, and 25% discount on courses provided by the European Academy for Education and Social Research.

The outline of the services:

1. EUROPEAN PROJECTS HELPDESK
2. FULL ACCESS TO EUROPEAN PROJECTS INTELLIGENCE SYSTEM MY-EUROPA.EU AND NEWS-EUROPA.EU
3. EDUCATIONAL PROGRAMMES FOR EUROPEAN PROJECTS DEVELOPMENT with 25% discount
4. EUROPEAN PROJECTS DISSEMINATION PACKAGE
5. EXTRA BENEFITS

... for a better society

EPA Expert Membership is designed for freelance project managers, EU Affairs advisers and researchers (with experience in the field of EU projects, funds and policies).

The Certified Expert is enlisted in the **EPA Experts Register**. The Expert's professional services will be engaged by EPA for specific requests of EPA Members and the European Academy for Education and Social Research for educational and consultancy purposes. The Expert can take part and benefit from all the activities of the European Projects Accelerator.

EPA Expert Member has full access to **European Projects Intelligence System My-Europa.eu** and the **13 Working Groups** where to receive and disseminate information on calls for proposals, partner searches, information on programmes and events, access to the eLearning Programme on European Projects Development and 25% discount on courses provided by the European Academy for Education and Social Research.

Expert Member can participate in one or more Councils as well as propose to activate and form a new working Committee. You also become a part of a wide partners' network that simplifies your partners search and facilitates your participation in European projects and events.

The outline of the services:

1. EUROPEAN PROJECTS EXPERTS REGISTER
2. FULL ACCESS TO EUROPEAN PROJECTS INTELLIGENCE SYSTEM MY-EUROPA.EU AND NEWS-EUROPA.EU
3. EDUCATIONAL PROGRAMMES FOR EUROPEAN PROJECTS DEVELOPMENT with 25% discount
4. EUROPEAN PROJECTS DISSEMINATION PACKAGE
5. EXTRA BENEFITS

EPA Social Contribution Model

EPA social contribution fund is an ethical initiative of EPA that serves as investment in the development of a better society.

50% of the income generated by memberships and donations is used to finance jobs, education, scholarships, traineeships or to co-finance projects of EPA and its TCPs. 25% is invested in further development of MyEuropa platform, whereas the rest covers administration costs.
